

From the President Alick Osborne

Hello everyone – please remember to **RSVP** for the **BusyFeet Concert and the Barefoot Bowls and Christmas Party** if you haven't already done so. Details on page two.

Another successful fundraising activity with over \$700 raised at our latest Bunnings BBQ. Thanks to Lyle, Richard, Tania, Janet, Mark who did a shift and a big thankyou to Dawn who did a double shift!

Our next BBQ is on the 15th December, but it will be a bit different. Malvern Probus members will be volunteering to do much of the work. We will need a Rotarian to set up and supervise all day (well one in the morning and one in the afternoon). Strictly speaking Probus is not able to fundraise but they have approached us for some financial assistance and as we have a clash with Christmas Tree deliveries on the 15th so the solution is to work with Probus. We will be donating all of the profit to them.

Speaking of BBQ's Lyle has been negotiating dates for 2019. We will release the schedule shortly.

And speaking of Christmas Trees don't forget to bring your trailer on the 8th and the 15th December. Actually we will also be looking for help on the Fridays (7th & 14th when the trees are collected and stockpiled at Chadstone Motors.

We had a small but fun and useful meeting on Wednesday night reviewing the team activities and projects. The teams, or avenues of service are an important part of Rotary. The projects we run do require some level of planning and organisation and your input is very welcome.

The International team was discussing a project to install water tanks at schools in Vanuatu. Community was working on plans to run a Clean Up Australia Day event in conjunction with Friends of Gardiner's Creek. And Youth was discussing engagement levels with Ashwood High.

We were fortunate to have Roy and Bill there to talk about the origins of RYPEN as well as the devotion of the Healey's to the local community and their long involvement with Ashwood High.

Reminder from Paul - Our Christmas Party Giving Tree

Our Rotary Christmas party is on Wednesday December 12th - fantastic bare foot bowling again.

This year we have added a little extra and are inviting members and friends to

GIVE A CHRISTMAS PRESENT TO THE UNKNOWN!!

Our presents will go to homeless men supported by the Avalon Centre and children in remote villages of Cambodia. You can choose to donate locally or internationally.

Debbie from the Avalon Centre has told us that whilst they have adequate gifts for homeless ladies they are desperate for gifts for homeless men. Debbie has suggested good quality lightweight torches and backpacks as ideal gifts for homeless men (steer clear of toiletries and the like).

And group games is the suggestion from Sedtha Long the leader of Build Your Future Today as ideal gifts for children in remote villages of Cambodia – games such as Connect 4, Twister, Jenga, lego/duplo, Frisbees, jump ropes etc. will put a wide smile on the faces of children in Cambodia.

Wrap your presents and add two tags – one to let us know what is wrapped inside and the second to be a simple message from you to the recipient - start with Dear friend and end with your first name.

Paul Rake is coordinating this activity on behalf of the Club so if you have any questions give him a call on 0409937080.
