

From the President Tania Aisbett

We had our first cluster meeting hosted by the **Rotary Club of Malvern** this week. The cluster meeting was a tour of the **Malvern Town Hall** followed by dinner at **Remy's Wine Bar**.

Mayor, Steve Stefanopoulos conducted the tour of the Malvern Town Hall and gave an extensive history of the building. The City of Stonnington has spent time refurbishing the building and restoring & returning a number of furnishings throughout the building.

For further history on this unique building visit the following website:

The Week That Was

George was the centre of attention at his 80th Birthday celebration at the Malvern Hotel.

Ros McMorrow and Rosemary Johnston are also celebrating in September.

It was another sell out Sunday with 320 sizzled sausages heading out the door and just over \$600 coming in to our fundraising efforts. Thanks to Dawn and Lyle and all the great helpers.

Our next regular BBQ is on Saturday 19th October.
