

From the President Alick Osborne

A late edition of the Chaddy Chatter as we recover from wonderful, successful Taste of France.

A tremendous amount of work was done by many people in the lead up and on the day. Thank you to everyone who helped at any stage.

Of course a special mention to Chris Don who did so much of the work behind the scenes organising infrastructure, food, stalls, suppliers, and sponsors. Also to Lyn Don who made banners and bunting and ran the baguette production line.

Hein and Veronica were once again incredibly generous with the magnificent marquee, the cool room, generator, jumping castle, heaps of other equipment, classic cars and of course the crowd favourite Thomas. Smart Hire put in many hours of work to build the train set for this event, not to mention the great paint job and repairs to the mini golf course. And to top it all off the famous post event dinner at their home – this year with catering by Stephanie & Chip. We enjoyed a lovely dinner, great company and reflections on the event.

Paul came to the rescue conjuring up real estate boards to promote our event when they were particularly hard to come by.

Christina and Ros put in many hours making the preserves and were rewarded with strong demand for their wares all day. And the cake stall looked a picture – more great work.

Great to see many past members there to help including Peter and May Salmon, as well as Michael Bennett and George Bassilli. Cathy Wilkie and her team making Poffertjes with Annie working at her the entire day.

I know I have missed others who I should be acknowledging individually. All of the partners, family and friends who came along made a massive

contribution, not only to the work that needed to be done but also to the fun on the day.

However and whenever you and your family, our friends were able to help – Thank You!!
