

From the President Alick Osborne

Back from the tropical north where I caught up with my old friends at the Rotary Club of Tully.

They were still recovering from the 3 days of the Tully Show in July where they sold over \$23,000 worth of sausages, steak sandwiches, roast beef and gravy rolls - and their famous battered fish sandwiches. This is their biggest fundraising activity and nets around \$14,000. The secret is the big crowd who come to the show each year and offering a good value meal.

Another fundraiser this year has been commissioning 100 prints of a photo of Tully Sugar Loco 6 bringing a rake of cane bins across the Tully River.

Tully Rotary is selling these limited edition prints for \$75 framed and \$50 unframed. It may appeal to a limited local market (and some train buffs – I have \$10 to go in the fines if anyone can tell me the model and original maker).

Primary School Bus Shelter.

One of the projects Tully Rotary completed recently was the construction of bus shelters outside the two local primary schools. In a town that averages 4 metres of rain, and when it isn't raining has very high UV these shelters make a lot of sense. Astute readers (well those with good eyesight) will note the poster in the picture of the bus shelter has a Lions logo on it... It was a combined project.

In 2019 the town of Tully will host the International Rafting Federation World Rafting Championships from the 13-20th May. <https://www.wrc2019.com/> Tully Rotary will be providing breakfast for the expected 1,000 organisers and competitors glamping at the Tully Showground. Anyone who is interested in spending their mornings over a hot stove but having the rest of their days free to roam Mission Beach just let me know.
